

Casa Josef & Tina is a small comfortable and affordable beachfront lodge with one guest house, three suites, three chalets, a camp site and a bar/restaurant. The lodge has exquisite views looking onto the Bazaruto Archipelago where guests can relax in the lovely garden enjoy the cool sea breeze.

Guest house

Our guesthouse has three bedrooms, three bathrooms, two living rooms, one dining room, a fully equipped kitchen and hot and cold water. Each bedroom has double bed, mosquito net and fan with spectacularly views of the islands. Additional beds can be allocated to the guesthouse on your request.

Suites

We have three new suites located 50 meters from the beach in our beautiful garden. Each suite has a double bed, mosquito net, fan, small kitchen and bath with hot water.

Native Chalets

We have three native chalets built by traditional method from indigenous material (reed and grass). Each chalet has one, two or three rooms with a simple clean toilet and hot water. Each room has double bed with mosquito nets and fan.

Camp site

Complex can accommodate about 10 tents in our garden. After the cyclone in February 2007 we have lost many trees for shade, but new ones are quickly re-growing.

Restaurant and Bar

Meals are available in our restaurant on request and our cuisine is usually local fresh produce including fish, calamari, crabs, clams. We also serve traditional Mozambican. Alternatively you can prepare your own meals outside in the outdoor kitchen.

Accommodation rates

Accommodation rates include B&B and payment is quoted in Mozambican metical. Payment is accepted in US Dollars and South African Rand, depending on exchange rates. Please note: Rates are a guide and subject to change.
